## ECONOMICS 230B PUBLIC SECTOR MICROECONOMICS

This course follows Economics 230A, and will consider several applications of the theory of taxation and public expenditures. Although Economics 230A is not an absolute prerequisite, students who have not taken that course may find the need to do some additional reading to be able to follow the material in some sections of Economics 230B.

**Class meetings:** Tuesdays (and, on occasion, Thursdays), 9-11, 639 Evans Hall

**Office hours:** Monday, 10:00-11:30

**Prerequisites:** First-year graduate microeconomics (Economics 201A,B)  
First-year graduate econometrics (Economics 240A)

**Requirements:**

Problem sets (2) -	20%
Paper (5 page review) -	15%
Class participation -	20%
Final examination -	45%

There is no required textbook for this course. All starred readings below are required and are included in the course reader, which will be available at Copy Central. Several of the papers are reprinted in Alan J. Auerbach, ed., *Public Finance* (Worth Series in Outstanding Contributions), 2000.

### I. BEHAVIORAL EFFECTS OF CAPITAL INCOME TAXATION

#### A. *Savings and Portfolio Choice*
