Course Schedule
The course runs from July 29 – August 22.

Lectures: MTWThF 9:00 – 11:30 am, July 29 – August 16 3108 Etcheverry Hall
  Note: We will often run past 11:30, so do not schedule anything else between 11:30 and 12:00.
Sections: MTWThF 1:00 – 2:30, 2:30 – 4:00, 648 Evans Hall

Final Exam: Thursday August 22 9:00 am – 12:00 noon, 648 Evans Hall
Course Requirements
Lectures will cover theory; the discussion sections will review the lectures, introduce additional material, and discuss problem sets. All students should attend the discussion sections and will be responsible for the material discussed in the sections.

There will be a total of six problem sets, due according to the following schedule:

Problem set 1: due Friday August 2 in lecture
Problem set 2: due Tuesday August 6 in lecture
Problem set 3: due Friday August 9 in lecture
Problem set 4: due Tuesday August 13 in lecture
Problem set 5: due Friday August 16 in lecture
Problem set 6: due Monday August 19 – turn in to Farzad/Dami by 9:00 am

Students are encouraged to work in study groups. Students must turn in their own solutions in their own handwriting (or typed individually), however.

Because of the importance of posting solutions and grading problem sets promptly, **no late problem sets will be accepted**. There will be no exceptions to this rule. The problem set grade will be based on the 5 highest grades among the 6 problem sets. This allows for missing one problem set without penalty.

Grading
The grade for Econ 204 will be based on problem set scores and the final exam, according to the following formula:

Problem sets 10%
Final exam 90%

Prerequisites
Math 1A – 1B and Math 53 – 54, or equivalent
